HAIR GROWTH COMPLEX TM

**A CLINICALLY PROVEN
HAIR GROWTH SOLUTION**

3-Phase Clinical Approach to Hair-Loss

WHY ARE WE LOSING HAIR?

Hair loss affects up to 50% of people in their lifetime and impacts greatly on their quality of life. Many aggravators have been identified such as stress, hormonal changes, inappropriate or aggressive hair care products, genetics, natural deficiencies and aging that all add to premature hair loss but are treatable with appropriate clinically proven interventions.

ADVANCED ANTI-THINNING HAIR THERAPY

Enter clinically proven RAPID HAIR GROWTH COMPLEX™ a natural, medical-grade, new era solution for combating hair loss with patented ingredients, supporting clinical trials and real results that boosts hair growth, strengthens hair anchorage and results in beautiful healthy volume, brightness, density and silky softness.

Rapid Hair Growth Complex™ is a clinically proven 3 stage anti-thinning solution formulated as an oral and topical intervention designed to grow hair and support vitality. Its patented and scientifically proven growth complex delivers essential nutrients to the follicle, scalp and hair shaft, promoting fuller, more youthful hair within 90 days.

This advanced formula provides intensive conditioning and targeted scalp care for both men and women, enhancing hair strength, resilience, and overall health. With consistent use, hair is rejuvenated thicker, stronger, and more voluminous, effectively addressing the signs of thinning.

Rapid Hair Growth Complex™ works to fortify hair fibres, reduce breakage, and accelerate healthy growth. The result: revitalized, nourished hair with enhanced body, luminous shine, and improved structural integrity.

USAGE

Rapid Hair Growth Complex™ is a 3- stage anti-thinning hair care solution and is used daily: take one GROWTH soft gel daily before bedtime, one FORTIFY capsule in the morning, and use Volumizing Shampoo, Conditioner and Mask to cleanse the scalp of pore clogging residue and gently protect and maintain beautiful hair. Once reaching your desired hair condition, alternate one capsule every other day.

CLINICAL RESEARCH

Formulated to address androgenetic alopecia (commonly known as male pattern hair loss), this once-daily supplement is designed to support hair follicle health and reduce hair thinning. Each capsule contains clinically studied botanicals and bioactives that work synergistically to inhibit dihydrotestosterone (DHT) production, a key contributor to hair follicle miniaturization.

KEY BENEFITS

- Helps prevent further hair loss
- Promotes healthier, fuller hair growth

ROSEMARY OIL VS MINOXIDIL 2% FOR THE TREATMENT OF ANDROGENETIC ALOPECIA: A RANDOMIZED COMPARATIVE TRIAL

Clinical studies prove the efficacy of Rosemary oil in the treatment of androgenetic alopecia (AGA) and compare its effects with minoxidil 2%. Within 6 months of usage no difference in hair count is found between 2% Minoxidil and Rosemary Oil confirming the efficacy of Rosemary oil in the treatment of AGA.

TOPICAL MAINTENANCE

Beauté Pacifique Volumizing Shampoo

This gentle, medical-grade formula has an effect on the scalp that's milder than water – perfect for sensitive scalps.

HOW IT WORKS

- Mild cleansing agent remove dirt, oil, and buildup without irritating the scalp.
- Cocoamide DEA restores shine and protects against dryness.
- Panthenol (Vitamin B5) hydrates, strengthens, and supports healthy hair growth by nourishing the scalp.

MEDICAL-GRADE VOLUMIZING SHAMPOO

This medical-grade strengthening shampoo's effect on the pH of the scalp is milder than water. The boost starts at the roots, pharmaceutically developed to effectively cleanse and rinse well without irritating the scalp or hair shaft. Suitable for all hair types and leaves hair nourished with a natural gloss, silky soft and detangled. Extremely well tolerated by even the most sensitive skin types and leaves the scalp with an enhanced and healthy barrier function. The shampoo inhibits the development of dandruff while creating a fresh sensation of bounce and body.

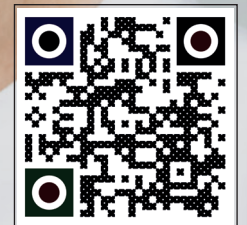

Complete Hair Strand Re-Construction: Use a very little amount of product and mix with water in the palms before applying. Massage the scalp vigorously to remove all traces of styling aids and pollutants exfoliating the scalp. Refrain from excessive heat styling during the treatment period. For protection against free radicals, re-creating the Lipid Shine of healthy, youthful hair, improved elasticity and prevention of broken ends.

Apply the Extended Performance Conditioner and Hydrating Hair Mask for an added Vitamin B, E, Natural Oils, heat protection and Anti-Breakage Boost while protecting against fading of colour-treated hair.
